

YMCA World Service Impact

YMCAs around the world are experienced in developing innovative programs that address the critical social and economic challenges facing their communities. At least **85 cents of every dollar** donated to the 2010 YMCA World Service Campaign will **directly support YMCA programs and help to change more than a million lives worldwide**. For more information on World Service-funded programs including photos and case studies, visit www.ymca.net/worldservice.

In 2009, YMCA World Service raised more than \$1.2 million which helped fund programs at the following YMCAs:
